Rita:
I have truely enjoyed being one of your senior classmates. You have the personality that will carry you a long ways in life. Can hardly wait until our senior trip! I am sure we will have loads of fun. Best of luck to you in every thing you do in life and have fun in college.

Your fellow classmate,
David, Sr. '64

Rita;

I have enjoyed being one of your classmates. I know that you only entered this school as a senior, but your personality made me feel that I have known you all my life. I bet that you are glad that this is your last year in high school. well I wish you lots of luck in the years to come. Have fun in college, and after you get out into the world

PRESIDENT JOHN FITZGERALD KENNEDY

On November 22, 1963, the world was shocked by the news of the assassination of President John Fitzgerald Kennedy. President Kennedy, the youngest President of the United States of America, was admired and respected by people everywhere. His ideals, deeds, and words have been an inspiration to the youth of the present generation, and his memory will be cherished in the hearts of all.

Our 1964 yearbook is published in memory of the 35th President of the United States.

John Fitzgerald Kennedy

We, the juniors and seniors of Cassoday High School, wish to dedicate the 1964 annual to a man whose devotion to the school and continued interest in his students have made Cassoday known throughout the state. In his twenty-two years of coaching he has taken seven basketball teams to state tournaments. During his nine years at Cassoday his teams have brought thirty-eight trophies to be claimed by the school, two basketball teams have represented the school at the state tournament, and one ranked second at that tournament.

"Coach" T. J. Pankratz, we salute you.
